Hi Marietjie

I trust you are keeping well.

Please could you let the owners/manager know on my behalf that I want to say thank you for the customer care.

Thank you to you for never letting us down and for always keeping us posted with regards to our delivery etc.

Thank you to Leonard for randomly “popping in here” to see how we doing and if we are happy with the service etc, it was truly appreciated.

In all my years of doing business in Nelspruit that was a first for me. Skankane truly has a dynamic team there and I look forward to long term relationship between us.

Now for business, haha.

Marietjie, Please could you arrange for a collection on Thursday of 15 tons from Clyde Steel again.

Please confirm if you are able to assist, thank you

**Light Steel Regards**
